主旨: Thank you

Dear Peter,

We are grateful to have your sharing with us in last two Tuesdays.
The talks were really impressive and informative.

As most of us look forward to the continuous part of your talk,
we would like to arrange the dates(1-2 days) for the second half
of your talk plus the Q&A sections. Will it be okay for you?
It will be appreciated if you could suggest any consecutive Tuesdays
(except the 1st Tuesday for each month) after June 8, 04 according
to your availability.

Finally, thanks and praise be to God to bring you to our
community to speak out the wonderful work of Jesus and Holy Spirit.

in Christ
Hilda
