Dear Anthony, Paul and Peter,

Taking this opportunity, I on behalf of SOC would like to express our gratitude to your sharing in SOC forum on Tuesday night. The forum was brilliant. The contents are concrete, interesting, informative and inspiring. I am grateful to have attended such a great forum that night.

Anthony, thanks for your preparation, co-ordination and moderation of Forum.

Paul, thanks for your sharing that we can see the "Abortion" in different angles.

Peter, thanks for your sharing, handout and the warm welcome of SOC to have meeting in St. John the Baptist Parish.

We really look forward to hearing another sharing from you all in near future.

God Bless
Hilda
