Dear Peter

it was my first time visiting an Orthodox church, it's indeed a very good experience for me, thank you.

well, your talk on Israel history was great. I could see your heart. It's well prepared and rich in content. The "Jewish dressing" intro was a good start. Yet, due to the time limitation, it would be better if we could make it by 2 lessons. thanks for your sharing Peter.

i'm happy to be a member in this parish, and to serve the Lord.

in Christ,  
Johnny
